## ALL CHANGE FOR BOURNEMOUTH ELECTRIC CAMERA CLUB

The 2018-2019 season was eventful for BECC, with new faces on the committee and a change of management at our parent, Bournemouth Electric Sports and Social club. After a busy summer behind the scenes, the new season started with our AGM at an exciting new venue, The Hamworthy Club at Canford Magna. With modern facilities, good parking and a choice of rooms, this is the perfect location. Many thanks to Scott and his team for welcoming us and helping us settle in.

**Viv Jones**, who so ably guided the club through the turbulent waters of last season, stood down as Chair, and the club appointed **Ian Byers** to take us forward. Viv has given much to the club over more than 20 years and we are very grateful for all

she has done. We hope she'll have more time to enjoy her photography now and will take pride in the friendly, inclusive club atmosphere she has done so much to foster. It's good to have Ian at the helm, and together with the other new faces on the committee, we have many plans to take the club forward in the changing world of photography.

**Nik Carter** also stood down as Membership Secretary after many years on the committee. Nik was unable to stay for us to fully thank him but we hope we'll be able to make up for that in future meetings.

The committee is very grateful for the support and guidance of **Norman and Carol Wiles** over the previous season, and for their many years as members. Indeed, at the age of 15, Norman was a founder member of Bournemouth Electric Camera Club. In recognition and appreciation we have appointed Norman as Honorary Life President and Carol as Honorary Life Member.

After some friendly chat over drinks and nibbles the evening concluded with the presentation of trophies to winning members from last season. We were pleased to welcome some new faces at the club and look forward to getting to know them better over the coming weeks.

## KEEP A LOOKOUT FOR AMANDA'S STUNNING IMAGE

Congratulations to Amanda Cunningham, whose beautiful lion cub image 'Keeping Lookout' (right), has been selected to appear on the poster publicising Southern Counties Photographic Federation 50th Annual Exhibition.

Look out for the poster and if you get a chance, go along to the Library Gallery in Salisbury Market Place between 4th and 31st January for another chance to see the picture and give Amanda your support
